

REMARKS

This Amendment under Rule 312 amends claim 3 by deleting subject matter that is superfluous, wherein two adjacent Xs can not be present when m is recited as 0 or 1.

No new matter has been added.

The above amendment of claim 3 helps to clarify the language of claim 3 and requires only cursory review, no search and does not affect the patentability of this application.

Entry of this Amendment is respectfully requested. This application should continue forward to grant.

Respectfully submitted,

MANELLI DENISON & SELTER, PLLC
